SPECIAL WORLD CHORAL DAY 2022

Sing for Peace, Choirs of the World!

Galvanized by our solidarity with all who are impacted by aggression and hostilities around the world, especially the current war in Ukraine, we call upon the global choral community to raise their voices to Sing for Peace. Join this special edition of World Choral Day, now and until December, to uphold and defend the values of unity, peace, and understanding!

We encourage the participation of the millions of singers worldwide who have contributed previously to the World Choral Day and extend a warm invitation to those who are joining us for the first time. Share your voice through collective singing to show the world that singing together with love and compassion is one of the most powerful tools we can use to achieve peace!

We have already received, and showcased, performances of choirs from Hong Kong, Ghana, Venezuela, and Japan. You can view these videos in a playlist on our official IFCM YouTube channel. New videos will be to this [playlist](#) on a regular basis.

Share your performance of song(s) about peace, whether a live performance video or a virtual presentation. Register your participation on the [WCD website](#).

World Choral EXPO 2022: YOUNG

In the framework of [World Choral EXPO](#) 2022, IFCM has created a program for young choral managers. *YOUNG Youth International Management Program* aims to give ten selected young individuals from all over the world an opportunity to learn and expand their knowledge and skills in the international cultural field by working closely with the WCE organising team. Building on the success of the *YEMP* program (*Young Event Management Program*) which the European Choral Association has organised for many years as part of Europa Cantat and the fact that IFCM currently has three employees who are former YEMPers, we want to provide an opportunity for young choral organisers from across the globe to gain experience on the spot as well as invest in the future of IFCM.

IFCM is happy to report 35 applications were received for this inaugural program. Representation from multiple countries reflected our international membership: Philippines (6); Russia (3); Estonia, German, Hungary, Latvia, Thailand (2); Argentina, Belgium, Canada, Iran, Italy, Japan, Lithuania, Morocco, Portugal, Turkey, Slovenia, Serbia, Ukraine, USA (1).

From the 35 applicants, the Selection Committee chose 10 that best fit the WCE program, those with motivation and the necessary skills in order to benefit from the *YOUNG* program. The committee also considered geographical and gender representation. Prior experiences were important, but the committee was also looking for young people willing to learn and share their knowledge.

The selected 2022 YOUNGs are:

- Frida Zarrán Vallesi, Argentina and Italy
- Anna Palcsó, Hungary
- Aleksandra Āboliņa, Latvia
- Jovana Kuzmanović, Serbia
- Farzad Omid, Iran
- Pauline Therese Arejola, Philippines
- Anna Bobrikova, Russia
- Margherita Castellini, Italy
- Valerie Konings, Belgium
- Pichatorn Sopachitwattana, Thailand

Congratulations to these individuals and a big thank you to all who applied. We will certainly keep you in mind for future projects.

EUROPEAN CHORAL ASSOCIATION - EUROPA CANTAT (ECA-EC)

FRIENDS OF THE EUROPEAN CHORAL ASSOCIATION

The Friends of the European Choral Association is a community of individuals, choirs, and other legal bodies who wish to support the work of the European Choral Association through their membership and through fundraising activities. The association also administers the **Noël Minet Fund Scholarship** which provides support for participation in some training activities for young singers, conductors, or composers with limited economic resources.

After the recent change in ECA's membership structure into an umbrella organisation for associations only, ECA wants to keep the connection open with individuals and choirs that are personally close to the association and/or would like to support its work.

That's why individuals and choirs are now invited to become Friends of the European Choral Association!
