

CREATING FUTURES IN CHORAL MUSIC

To be returned by email office@ifcm.net

Are you a young conductor, singer, composer, manager, administrator, or choral music enthusiast?
Are you a conductor, singer, composer, manager, administrator, or choral music enthusiast living in a country with a Human Development Index 2 and 3 ([see the list here](#)).

Earlier in 2022, the International Federation for Choral Music (IFCM) has launched a membership campaign to make it possible for young choral lovers, under the age of 35, from around the world to become IFCM members during two years at no charge and with the same advantages as a paying membership. This campaign was successful thanks to the contribution of generous donors, so **IFCM wants to do more!**

IFCM has decided to waive the age limit of **ALL** choral lovers from countries with a **Human Development Index 2 and 3** ([see the list here](#)) and offer them a free two-year membership as well.

If you are selected, we hope that you will enjoy this sponsorship and that, thanks to this two-year experience with IFCM, you will remain an IFCM member for much more years by renewing your own IFCM membership when such support is possible for you.
